ANTIOCH, ILLINOIS, THURSDAY, JUNE 25, 1970

VOL. LXXXV NUMBER 1

A siren at the fire station signaled the alert—when 200 firefighters recently donated blood to the Cooperative Blood Placement Plan. A one-pint blood donation to the Plan assures unlimited free blood replacement for an entire family anywhere in the United States for the next year. Joan Mitchell, Chicago Fire Department employee and Firefighter William A. Brown are pictured here.

## Carmel Honors Program

Marilyn Tritz was presented the Mundelein Women's Club annual scholarship award on May 22 at the Carmel High School Honors Day program. Laura Gapinski was the recipient of the Mundelein Newcomers Music scholarship.

Other academic scholarships were awarded to Karen Ciecko, Therese Denecke, Regina Halford, Mary Beth Hauptle, Caryl Inglis, Veronica Kane, Patricia Marqui, Karen Murphy, Mary Kay Nachowicz, Jean O'Brien, Jane Robertson, Sandra Schulze, and Mary Silvers.

Teacher education scholarships were earned by Karen Azzato, Nadine Bouchard, Cecelia Clark, Mary Lee Didier, Laura Kloss, and Mary Kay Nachowicz. Special education scholarships went to Laura Gapinski, Joanne Jeffry, and Marcia Stanczak.

Coveted James scholarships were awarded to Sydney Brown, Linda Magoon, and Patricia Richardson. Jacqueline Branum was a National Merit scholarship finalist, and letters of commendation were merited by Mary Jeanne Butler, Regina Halford, Linda Magoon, Patricia Richardson, Michelle Ringo, Jane Robertson, and Peggy Sullivan.

Illinois State scholarships were awarded to 21 senior girls.

The coveted annual BYM award to an outstanding senior was presented to Diane Oelerich of Lake Villa.

Linda Magoon received a trophy for maintaining the highest average for four years. Special awards in various fields were merited by: Sydney Brown, National Council of Teachers of English; Veronica Kane, and Mary Alice Molgard, Quill & Scroll; Karen Murphy, Mathematical Association of America; Jacqueline Branum, Betty Crocker Home-maker of Tomorrow; Christine Koudelka, Scholastic Art gold key; Suzanne Griswold, outstanding Business Education student.

## Motor Club Supports \$24 Million Borrowing

The Chicago Motor Club has announced it will support a one-time-only "borrowing" of \$24 million from state road funds for emergency use to help the ailing mass transit industry in Illinois.

Gerald W. Cavanagh, president of the motoring organization, emphasized that the motor club would support such a move only if the legislation contained specific repayment requirements from the general revenue fund with a one-year period. He said: "The Chicago Motor Club always has been fully aware of the importance of mass transportation. If general revenue funds cannot be used at this time for a mass transit subsidy, then the Chicago Motor Club would recommend compromise legislation which would enable the state to borrow \$24 million from motor fuel tax receipts with the understanding that such legislation is a one-time-only proposition and with specific one-year repayment provisions spelled out."

Cavanagh added that the motor club would continue to vigorously oppose increasing the state gasoline tax to subsidize transit. He said: "The outright giving of highway funds to aid mass transit during this emergency is not a sound and responsible solution for the transit industry's problems and will only increase the already heavy tax burden being borne by Illinois motorists."

The motor club president pointed out that motorists' taxes were significantly increased just last year by the General Assembly, both the state gas tax and license plate fees receiving healthy boosts. "Motorists pay the same taxes as all citizens," he said, "and in addition continue to pay and pay special taxes as motorists. Every time a motorist stops at a gas pump he is paying 40 per cent in taxes for each gallon of gasoline he buys."

Cavanagh said that the motor club would support the motor club's proposal for a new tax system for the state. (Continued on page three)

## Enrollment In College Still Possible

Enrollment in more than twenty-five private Illinois and mid-western colleges is still possible for the upcoming fall semester according to John Kirby, President of Educational Planning Associates, Inc. "Many liberal arts colleges are still actively seeking transfer students and new entering freshmen for their fall 1970 classes because of last minute vacancies," Kirby stated. "These colleges have enlisted us to serve as a central admissions resource to bring together the colleges and those students who are late deciders or who, for some other reason, have not yet completed their fall educational plans."

Students who are interested in this free college admissions service may contact Educational Planning Associates, Inc., 2007 South MacArthur, Springfield, Illinois, by calling (217) 546-1292 or through their Chicago affiliate, Educational Search Corporation, 208 S. LaSalle by calling (312) 782-2300 for an admissions appointment. The student will be interviewed by a trained admissions counselor and can examine admissions literature from the twenty-five or more colleges who are cooperating in this unique "crash program" to fill (Continued on page three)

## Tutoring Program Increasing

Charles Lindholm, Supervisor of the ACHS Volunteer Tutoring Program, reported a total of 261 students took part in the student tutoring program during the second semester.

Ninety-three students assisted 168 boys and girls which constituted a forty-nine per cent increase over the first semester when a total of 127 students were involved in the program.

Tutors in the areas of Math, Foreign Languages and Science continued to be in greatest demand.

The names of the tutors will be posted on their permanent record cards which is used for college admissions, employment, military service, etc. The names of the tutors is then submitted to the FTA and National Honor Society for service point credits.

Three senior girls Charmaine Daniel, Roberta Liberty, and Linda Walpole participated in a special experimental tutoring program conducted by Mr. Lindholm and Mr. Wierschem.

The results of this program are being studied and report is in the process of being compiled.

## 13 Student Volunteers End Program

Thirteen Antioch High School students have just completed 1074 hours of service as Red Cross Youth Volunteers, participating in and after school volunteer program at Downey Veterans Hospital, Downey, Illinois.

According to a letter received by the High School from Mrs. Gordon Juhl, Chairman of the Red Cross Youth Committee, Lake County Region and Marshall Clark, Director of Voluntary Service of the Hospital, "These students did an excellent job in their given assignments and gained the admiration and respect of patients and personnel. We are very proud of the students for their generosity of self and time. We are anticipating working with students from Antioch during the summer in the Volunteer Program at Downey Hospital."

The students who participated and the time they volunteered are: Joanne Apostol, 104 Hrs.; Krista Barlow, 129 Hrs.; Wendy Blaine, 52 Hrs.; Cheryl Frad, 40 Hrs.; Donna Haase, 68 Hrs.; Donna Kessler, 92 Hrs.; Kathy Koziel, 95 Hrs.; Kathy Laursen, 48 Hrs.; Carolyn Makridakis, 92 Hrs.; Vikki Mitchell, 56 Hrs.; Barbara Folsgrove, 116 Hrs.; Debbie Thibodeau, 44 Hrs.; Kathi Walpole, 44 Hrs. (Continued on page two)

## Antioch High School Loses In Court Fight

Antioch High School has lost an appeal in the Second District Appellate Court in its long fight over whether a student has to have his hair cut in order to attend classes.

The case in point was that of Charles Laine, 18, son of Mr. and Mrs. Sulo M. Laine, of 2120 E. Sprucewood Lane, Lindenhurst.

The court ruled Monday that the right for one to wear one's hair at any length or in any desired manner is an ingredient of personal freedom protected by the U. S. Constitution.

Ironically Antioch High School has already approved a new grooming code formulated by a joint committee of student, PTA and board representatives.

Rigid rules are out in the new code and recommendations are for general grooming standards rather than specifying rigid rules of dress.

The code specifies that girls and boys recognize the importance of grooming which is injurious to health, safety and the learning process shall not be permitted.

The ruling Monday by the appeals court followed a ruling in Lake County Circuit Court that Laine had to cut his hair to attend classes. It was handed down by Visiting Judge Clarence E. Partee.

After Partee's ruling, however, Laine's attorney, Peter Collins of Waukegan, presented oral arguments before the appeals court which set aside Partee's order and restored the youth to school under a temporary injunction pending determination of the appeal.

The ruling Monday was given by Judge Mel Abrahamson of Naperville and concurred in by Judge Glenn K. Seidenfeld of Waukegan and Judge Charles Davis of Rockford.

The order read that the defendants—the school and its superintendent—be permanently restrained and enjoined from attempting to suspend or expel Laine because of the length or style of his hair.

In other action at the high school board meeting, trustees approved the purchase of \$26,964 in educational equipment and student insurance coverage from Capital Indemnity Corp. through its agent, John Romer.

The rate for students will be \$3.50 and \$18 for athletes.

Purchase of a soap system installation in the locker room and showers for \$1,444 was approved as was \$751 for the purchase of mounted display boards.

Teaching contracts were approved for Lucille Hacht and Deanna Dvorachek for home economic; Marilyn Dolan, business education; and Richard Richey and Peter Pekkari for math.

At the Antioch Grade School Board meeting last week the board accepted the resignation of third grade teacher Mrs. Marilyn Jeffries and rehired Mrs. Revilla Harmon as school nurse.

The new superintendent was hired for a two-year period at an annual rate of \$21,000 but with a stipulation that the salary be reviewed at the end of the first year.

Board President Milo Bailey appointed a committee to prepare the 1970-71 budget composed of Charles Mapthorpe, Richard Harland and Mildred LaPlant, assisted by the new superintendent Henry Meyers.

## Artists Win Ribbons At Regional

Three Lake County artists earned blue ribbons in the Regional Town and Country Art Show held at Northern Illinois University Student Center, according to Ray T. Nicholas, Lake County Extension Adviser.

The artists earning blue ribbons are: Thomas Gourley, Zion, (Continued on page seven)

Lake and McHenry County 4-Hers were among nearly 1,000 4-H members at the 1970 Illinois State 4-H Week program at the University of Illinois. The Northeastern Illinois delegation included, from left, Rob Olson, Mundelein; Gail Elmgren, Lake Forest, and Alison Hevrdejs, Antioch. Sue Ross, McHenry County Extension advisor, on bus, accompanied the group.

## Eventful Year Ends For Jeed

By Shirley Jensen

Early Monday morning, June 29, Jeed will be leaving from Park Ridge, Illinois, with dozens of other foreign exchange students on a bus tour of some of the United States before departing in mid-July for their homelands. A high point of interest on their tour will be a visit to our nation's capital, then on to Boston and New York before winging their way home.

At dinner the other night, Jeed told me that he has very mixed feelings about leaving Antioch. His family and friends in Pitsanuloke Province, Thailand are counting the days until he returns and he is getting excited about seeing them again after a year's absence. However, Prachya Rokehachareon has been happy here and he'll be leaving behind his beloved American family, the Toppers, and many

new-found friends. This will not be easy for the gentle, soft-spoken Thai.

After witnessing the standing ovation that Jeed and Rotary foreign student Daniel Carol received from their classmates and families at the conclusion of their moving farewell speeches at baccalaureate on May 30, it became quite apparent to this viewer that having a foreign student at Antioch High School produces mutual respect and satisfaction.

Jeed will be gone only a short time when a new foreign exchange student will be arriving under the American Field Service scholarship program. Luis Victor Herrero from Santa Fe, Argentina will be making his home at the end of August, with Mr. and Mrs. Robert Gross, their son Chip and daughter Patty on (Continued on page two)

## Reckers Attends Seminar

Preston Reckers, vice president of the State Bank of Antioch, attended the fourth Graduate Seminar of the Illinois Bankers School at Springfield June 17th and 18th.

## Antioch American Legion Post 748 To Hold Carnival

"Come One, Come All" to the Antioch American Legion and Auxiliary Annual Carnival, held on the Lyons-Ryan Grounds, Rte. 173, Antioch, June 29 through July 5th. Seven full evenings of Carnival fun, plus six exciting rides are promised both the "kiddies" and the "grown-ups."

Mrs. Ray Rathmann, President of the Antioch American Legion Auxiliary, needs as many volunteers as possible to "man" those six cashier booths for the six rides. This Carnival is usually the only opportunity the Auxiliary has of earning money to fulfill their many obligations. Mrs. Rathmann can be contacted by telephoning her at 395-3333.

## AARP Elects Officers

The annual election of officers for the Antioch Area Chapter, No. 387, (AARP) American Association of Retired Persons was held on Tuesday, June 9, in the Community Room of the Antioch Savings and Loan Building with 80 members in attendance.

Beside the election, a speaker from the Bellone Hearing Aid Center, Waukegan, Gordon E. Doctor, addressed the group as did Elwin Kris, field representative of the Waukegan office of the Social Security administration.

Results of the election of officers were as follows:

President for 1970-71, Harold Lindberg, Antioch; 1st Vice President, Mrs. Ruth Carlson, Antioch; 2nd Vice President, Fred Wendt, Camp Lake, Wis.; Recording Secretary, Mrs. Mildred Cook, Antioch; Corresponding Secretary, Mrs. Ruth Carlson, Antioch; and Treasurer, Lorna Bachert, Antioch.

Elected Directors were John L. Horan, Antioch, outgoing president; Mrs. Ethel Anderson, Silver Lake, Wis.; Mrs. Loraine Berndt, Antioch; Albert H. Moore, Antioch; Mrs. Clara Johnson, Trevor, Wis.; and Mrs. Ruth Tidmarsh, Antioch.

Gregg Tichacek, fishery biologist with his assistant, showed slides and gave a talk on the vari-

ous fish and fishing conditions along with weeds, and many foreign objects that are polluting the lakes, especially Catherine and Channel Lakes.

He also explained how this all affects the growth of the various fish and where soundings are taken in the lakes is proof of much pollution being added.

On June 23, the local chapter of AARP will hold their monthly business meeting in the cafeteria of the Antioch High School, at 12:30 noon.

Supt. A. L. Dittman will address the gathering and explain the progress of the building program along with President of the High School Board, who also will greet the members.

On the 24th, the local chapter will gather, 40 in number the quota allowed, at the parking area of the Savings and Loan Building and travel by cars to Marengo in time for 12:30 noon luncheon and following the meal attend the Shady Lane Farm Playhouse to enjoy the play "Goodbye Again."

For the balance of July and August no business meetings will be held until on the 8th of September 1970, the installation of officers will take place.

A committee was appointed for the annual chapter picnic, which (Continued on page five)

## Fr. Keusal Serra Club Chaplain

Last week His Eminence John Cardinal Cody, Archbishop of Chicago, appointed the Rev. Eugene L. Keusal of St. Peter Parish, Antioch, the Chaplain of the Lake County Serra Club.

The Serra Club is an organization which promotes vocations to the religious life. Father Keusal (Continued on page two)

## EDITORIAL

## Bring 'Em Back Alive

Have you let those predictions of traffic deaths scare you off the highways on holiday weekends?

We did, too, until we learned that the scare techniques used in holiday traffic safety campaigns have little basis in fact.

The Chicago Motor Club-AAA says that startling highway fatality predictions can be made for nearly any weekend.

It points out that the emphasis on holiday death counts does nothing to promote safety, but instead adds to the worries of the average driver and discourages many from enjoying a holiday trip by auto.

It is advocating a positive approach to safe travel filled holidays, a campaign called "Bring 'Em Back Alive."

The Chicago Motor Club, along with AAA affiliated motor clubs across the United States and Canada, has embarked on a "Bring 'Em Back Alive" program to stress the wider observance of common sense rules of good driving.

While "Bring 'Em Back Alive" is primarily aimed at the motoring public, it does not pass over the concern for pedestrian safety. Pedestrians, who annually add to fatality counts, must share equally with motorists in responsibility for traffic safety.

"Bring 'Em Back Alive" strikes us as a sensible approach to holiday highway safety on a number of counts: it encourages the individual that travel is economically healthy for the state; it takes into consideration our need for recreational outlets and our desire to travel about in our free time; and it calls on all of us to be totally responsible for ourselves and others on the highway.

If each of us, when driving, is a little more courteous, a little more careful, knows a little more about safe driving practices, then each driver also has a better chance to "Bring 'Em Back Alive."

This year we are looking forward to indulging our yagabond spirit over the July Fourth holiday by keeping both eyes on the road, both hands on the steering wheel, and by resolving to "Bring 'Em Back Alive."

## A Good Plan

American motorists broke a record last summer—with a shocking highway death toll of over 15,000 persons.

And, according to other National Safety Council statistics for June, July and August of 1969, thousands more were seriously injured in senseless highway accidents.

This summer, you, and thousands like you, will be taking advantage of the warm weather by traveling on our nation's highways. No doubt you'll be taking precautions like wearing seat belts, checking your tires, and, of course, making sure you have insurance.

But what about blood insurance? Whether you travel the highways, waterways or just stay at home this summer, you can't predict when accidents will occur.

Accidents that will require blood transfusions for you or a member of your family.

Will there be an adequate supply?

As a member of the Cooperative Blood Replacement Plan you can be assured of blood replacement.

This vital non-profit blood banking program acts as an intermediary between member-hospital blood banks and donors. With a one-pint blood donation to the Plan you are assured free unlimited blood replacement for your entire family anywhere in the United States.

Tragedy strikes without warning — be prepared. Join the Cooperative Blood Replacement Plan today.

## ALONG THE WAY with Annie Mae

## RECEIVES DEGREE

Carolyn Van Patten received a B.S. degree in Home Economics from Colorado State University at Ft. Collins, Colo. Her husband is Roger Van Patten, and they have a small son, Eric.

## VISITOR FROM MISSISSIPPI

Mrs. Lois Smith, of Meridian, Miss., is visiting her cousins, Mr. and Mrs. Dan Lightsey, for a couple of weeks.

## BIG JOHN HAS DONE IT AGAIN!

Big name bands will be playing at Antioch Country Club this summer. More details later.

## BOYS ATTEND CAMP

Four area boys recently returned from a week's camp where they learned and played basketball, along with other sports. They were Mark Andrews, Tim Mleure, Scott Johnson and Mike Gutowski. They had some of the finest coaches in the state to show them new techniques. These boys will play for our Fighting Sequoias in the next few years. Good luck, fellas!

## GET WELL WISHES

To Mrs. Frank Benes, Sr., and Ruth Sheehan.

## HOME AGAIN

Dan and Angie Maras and family returned recently from Ft. Smith, Ark., where they visited relatives.

## NEW ARRIVAL

"Baby in Blue" for Jim and Sue Hallwas. Congrats!

## Letters to the Editor

The members of the V.F.W. Post 4551 and Ladies Auxiliary wish to say many thanks to all the people who donated so generously by buying the Buddy Poppies that were sold in Antioch June 19th and 20th.

It enables us to continue our work helping the Veterans and their families. The results showed their prayers had been answered. Also many thanks to members of the Post and Auxiliary for their fine work. Without them it wouldn't have been possible. Once again a big thank you to all.

## Carmel Honors...

(Continued from page one)

erica awards were given to Mary Beth Hauptle, June Niemann, and Diane Oelerich.

Highest achievement in the various academic areas were merited by: Sydney Brown, English; Patricia Richardson, Mathematics and French; Marilyn Tritz, Art and Spanish; Linda Magoon, Latin; Louise Dorolek, Social Studies; Jacqueline Brannum, Science; Laura Gapsinski, Music; Diane Oelerich, Drama; Patricia Bruszewski, Business; and Mary Lee Didier, Clothing.

Diplomas were awarded to 177 senior girls at the annual commencement exercises on May 30 by Most Rev. William F. McManus, Auxiliary Bishop of Chicago, who also gave the invocation.

The Honorable Thomas J. Moran, Appellate Court Judge, addressed the graduates.

## FIREMAN'S DANCE

Put on your dancing shoes and meet you at the Fireman's Dance Saturday, June 27, 9 p.m. till 1.

## CANDY IS BEAUTIFUL!

Within the next two weeks the Antioch Little League will be bringing to a close their candy sales. If you haven't bought any yet, please help support this cause. They need the money.

That's all today from ANNIE MAE

## Chamber Trip To Milwaukee Big Success

Seventy-six baseball fans from Antioch took advantage of the Antioch Chamber of Commerce trip to Milwaukee County Stadium a week ago to watch the Brewers top the White Sox by a 5 to 2 count.

When the Stadium Fan-O-gram welcomed Mayor Raymond Toft, Chamber President LaVerne Woods and the entire chamber a loud roar went up from Box 44.

The Chamber also announced that Maxwell Street Days will be held on July 30, 31 and Aug. 1, and that a street dance will be held on Saturday, Aug. 1.

There will be a large dance band and refreshment booths and volunteers are needed to work in the booths.

The Chamber also announced that its retail promotion "Midnight Madness" when stores will close from 6 to 8 p.m. and then reopen at 8 p.m. until midnight, will be held on Aug. 24.

## ATTEND MEETING IN WAUKEGAN

Jimmie Quadenfeld and Shirley Gutowski, members of St. Peter's school board, attended a special meeting held in Waukegan to provide an exchange of ideas on current Catholic School crisis.

These meetings are being held all over the Archdiocese.

## Correction

In giving the list of students from Antioch who made the Dean's List for the second semester at the College of Lake County, the name of one student was inadvertently printed wrong. The name should have been Rick L. Erickson, not Rick L. Anderson.

The vampire bat is a creature of the tropics. It lives on nothing but blood, and man is one of its victims. It is not dangerous because of the small amount of blood it draws, but because of the germs they may leave in the wound. On occasion it may cause a case of rabies.

A 53-year old career medical administrator, Willard G. Hiltchings, recently was named director of the VA hospital in Miles City, Montana.

## Navy, Union Sign New 2-Year Pact

The President of American Federation of Government Employees, Local 1424, and the Commanding Officer of the Navy Electronics Supply Office, Great Lakes, signed a new two-year contract covering all non-supervisory employees of ESO in regard to negotiable working conditions.

Chairman of the union negotiating team was Donald F. Cudahy, President, of 2415 E. Thornwood Drive, Lindenhurst. He was assisted by union team members C. Wayne Franklin, 4870 N. Francisco Ave., Chicago and Chester Cook, 1043 Whitfield Road, Northbrook, Ill.

Captain John H. Garrett, Jr., SC, USN of Irvington, Va., and Great Lakes signed the contract on behalf of management. Captain Thomas J. O'Connor, SC, USN, of Mission, Kansas and Great Lakes, the Executive Officer of ESO, headed the management negotiating team. Also representing management's point of view were Richard D. Endean, 608 No. Main St., Antioch, Assistant Director of the Financial Division, and John Isaac, 1636 Ferry St., Waukegan, head of the Personnel Management Assistance Branch at ESO.

## Fr. Keusal...

replaces Father Mose Glynn of St. Dismas, Waukegan.

Father Keusal was ordained to the priesthood nine years ago and has been stationed in Chicago and Bellevue.

He came to Antioch two years ago as Associate Pastor of St. Peter which assignment he will retain along with his other duties.

He is a devoted priest and has been very dedicated to his duties as acting pastor during Father Henderson's absence.

It's easy to place a classified—Just dial 395-4111.

Donald F. Cudahy, president, American Federation of Government Employees, Local 1424, signs a new two-year contract between the union and the Navy Electronics Supply Office at Great Lakes. Capt. John H. Garrett Jr., awaits his turn to sign. Looking on, from left, are members of the union negotiating team, C. Wayne Franklin and Chester Cook. Representing management are, center to right, Richard D. Endean, of Antioch, assistant director, Capt. Thomas J. O'Connor and John Isaac, head of personnel management assistance branch at ESO.

## Eventful Year...

(Continued from page one)

Grass Lake Road, Antioch.

So, time marches on, and the wheels are already turning to raise money for Luis' scholarship to the United States. A. F. S. students are busy selling ice cream to summer school students at Antioch High in June and July.

In August, A. F. S. will sponsor the tremendously talented "Pacemakers" from Zion in a three act musical revue. They will appear in the Antioch High School auditorium on August 15 at 8:30 p.m. There will also be many other fund raising projects throughout the year to raise the necessary \$850.

The Antioch chapter of the American Field Service is proud to have played an important part in Jeed's being able to come to the United States and sadly says

in Thai "Iagone". The following poem expresses the warm feeling he inspired. It is entitled "Just for Jeed".

Where did the time go, Jeed, my friend?

A year seems more like a day. Wasn't it yesterday you bid Thailand farewell

And came to America to stay?

Now you're about to leave our shores

And there's still so much to do. Wouldn't it be nice if we could turn back the clock

And have one more great year with you?

You're a real credit to Thailand

And your family back home. We in Antioch have learned to love you a lot.

As if you were our very own.

Remember all the happy things: Pizza, football, school and snow.

New faces, new places, strange customs, funny ways; So much to learn and get to know.

We pray that you have grown wise

And are a better man, And that the good you have seen far outweighs the bad, And you will come back when you can.

You've acted as a friendly bridge Between countries, miles apart. A new A. F. S. student will be arriving soon, But you will remain in our hearts.

## Enrollment In...

(Continued from page one)  
last minute vacancies. Students can be given commitments very quickly in most cases, Kirby added.

"The colleges available range widely," Kirby pointed out. "Some of them are very selective but others are less so. Some in fact, will take a chance with students on a probationary basis. Therefore, we are in a position to help students with a wide range of ability levels and interests. In some cases financial aid from the college is available, and here, again, a commitment can be obtained rather quickly."

Educational Planning Associates and its affiliate Educational Search Corporation are headed by Kirby, former Assistant Superintendent of Public Instruction, and Dr. Benjamin Willis, former Superintendent of Schools for Chicago. Both firms offer a variety of educational services such as college selection through computer and computer assisted vocational guidance. "The current program of college recruitment and admissions — designated PROJECT INTAKE — has generated so much interest on the part of prospective students and colleges who need them that we hope very shortly to computerize this service as well," Kirby added.

## Special Honors Won

Two Antioch area students received special honors in the second semester at the Carmel High School for Girls, Mundelein, and another seven received first honors, it has been announced.

Those receiving special honors included Linda Stenzel, of Lake Villa and Mary Elsie Wolff of Lindenhurst.

Those receiving first honors included Joan Forster and Mary Alice Molgard, of Antioch; Karen Torres, of Lake Villa; Barbara Brendel, Mary Elizabeth Brendel, Debra Szesniak, of Lindenhurst and Mary Eileen Tierney, of Wildwood.

## Insurance Policies Increased

A growing number of disabled veterans have obtained "RH" life insurance policies issued by Veterans Administration.

Administrator of Veterans Affairs Donald E. Johnson said a comparison of statistics for the first four months of this year doubled.

A total of 6,942 RH policies with a combined value of \$65.5 million were issued during the first four months of this year. Last year, the figures were 3,801 policies worth nearly \$35 million, Johnson said.

He added that RH is the only government veterans' life insurance open to new issues, and described it as a valuable, low-cost insurance which provides adequate coverage for veterans with service-connected disabilities.

Johnson noted the low cost of this insurance. For example, the premium for a 25-year-old veteran on a \$10,000 five year term policy is \$2.60 a month.

Coupled with a \$10,000 policy converted from Servicemen's Group Life Insurance at standard rates, the disabled veteran can carry \$20,000 worth of life insurance coverage at a comparatively low premium rate, he pointed out.

He further explained that RH life insurance is available to veterans separated from service after April 24, 1961, who have a VA disability rating, and who are in good health, aside from their service-connected disabilities.

Regulations require that applications for RH insurance be made within one year of the veteran's notification from VA of his service-connected disability.

The VA official urged disabled veterans to request additional information on RH insurance from their local VA offices as soon as possible after disability rating.

A free pamphlet, 29-9A, which contains premium rates and other information about RH insurance, is also available from any VA office.

## Motor Club...

(Continued from page one)  
ist has no greater duty to support mass transit than any other citizen or taxpayer, including the stores and business institutions which mass transit benefits. He said:

"Since the transit subsidy issue seems to have reached a dead-lock stage in Springfield, and since a fare increase by the CTA at this time would not be desirable, the Chicago Motor Club feels the borrowing of highway funds justified if strict repayment provisions are included in the legislation.

"Regardless of the results of this special session, it is essential that responsible leaders meet well before next January's legislative session to discuss the mass transit problem calmly and deliberately, not in an atmosphere of crisis. In this way they can develop a long-range plan to aid mass transit."

To make withdrawals at other times, you simply notify the Bank in writing 90 days in advance. You may leave the interest in your account to compound, have it automatically added to your checking account, or have it mailed to you.

## NEW 5 3/4% GOLDEN PASSBOOK CURRENT INCOME PLAN

Your high 5 3/4% interest earnings are compounded quarterly and guaranteed up to five years on this new current income plan. This means that your money will keep on earning that 5 3/4%, no matter how low interest rates may drop everywhere else. The exact maturity date you select can be the first day of any calendar quarter, any time within 2 to 5 years from now. You can open your 5 3/4% Current Income Passbook Account with an initial deposit as low as \$100.00. You can make additional deposits of any amount up to 2 years before the maturity date. Open yours today!

## NEW 5 3/4% GOLDEN PASSBOOK DEFERRED INCOME PLAN

You may be able to gain substantial tax savings with this new deferred income plan. It pays you the same high 5 3/4% interest as the Current Income Plan and everything else is the same except that interest earnings are deferred until the maturity date. This means that if you're in a lower tax bracket when the account matures — because of retirement, for example — you could realize real tax savings.

Although you must leave your money in the bank for the full period to earn your full interest on the above Plans, you can always get it in case of real emergency by complying with applicable Federal regulations.

## NEW 4 1/2% REGULAR PASSBOOK ACCOUNT

All deposits on our new regular passbook account earn you a guaranteed 4 1/2% interest, compounded daily from the day of the deposit to the day of withdrawal with interest payable quarterly as long as you keep the account open. You can open your account with any amount and you can get your money whenever you want it.

## 5% — 5 1/2% — 5 3/4%

### CERTIFICATES OF DEPOSIT

Certificates of deposit, as single maturity certificates or as automatically renewable certificates, are available to you in the amount of \$200.00 or more. Interest is paid quarterly and can be mailed to you by check or credited to your account.

Ninety day certificates pay 5% interest.

One to two year certificates pay 5 1/2% interest.

Two to five year certificates pay 5 3/4% interest.

Although you must leave your money in the bank for the full time period to earn your full interest on the above accounts, you can always get it in case of real emergency by complying with applicable Federal regulations.

Mr. and Mrs. Halter

## Judy Liddle Wed To David Halter

Judy A. Liddle and David R. Halter were wed in a double ring ceremony June 20 by Rev. E. W. Walline in the Emmanuel Evangelical Lutheran Church, Racine, Wis.

The bride is the daughter of Mr. and Mrs. Kenneth A. Liddle of Antioch and the groom is the son of Mr. and Mrs. Edgar C. Halter of Caledonia, Wis.

Van Offren and bridesmaids included Mrs. Dan Lasco and Miss Diane Tobias. They chose gowns of re-embroidered peach sheer with high neckline encircled in white lace ruching which was repeated on the full Juliet sleeves and as a border on the full skirt worn with a shattered leaf bandeau. They carried peach parasols filled with green mums and peach roses and wore wide brim picture hats with open tops.

Best man was Mark Halter with Dan Lasco, Thomas Thelen, Jeff Halter and John Liddle.

A reception at the Fireside Lounge, Caledonia followed the ceremony. Mrs. Halter is a teacher at Salem Consolidated Grade

## Topics for Today's Women

THURSDAY, JUNE 25, 1970 THE ANTIOCH NEWS-4

### Methodists Sponsoring Observance

Something entirely different in the way of honoring Independence Day will be initiated the weekend of July 3 through July 5 by the United Methodists for Methodism. This special event will take place at Conference Point Camp, Williams Bay, Wisconsin, on beautiful Lake Geneva.

It will provide spiritual refreshment, Christian fellowship, and be a tribute to our country. Some of the top Methodist leaders will attend and speak at this meeting. They include Dr. J. Lester McGee, Senior Minister of the Centenary Church of St. Louis, where a demonstration was attempted during the General Conference of the church in April.

Dr. J. Ellsworth Kalas, Senior Minister of the First Church of Madison, Wisconsin, will also be featured. Among other distinctions, Dr. Kalas was a delegate to the World Methodist Conference. He is in great demand as a speaker for many inter-denominational meetings, as well as in his own denomination.

Rev. Charles W. Keyser, Minister of Grace Church in Elgin, gives inspiration and spiritual guidance to thousands of followers through Good News Magazine, which he edits in addition to his regular church ministry.

A widely known layman who has worked with churches across America, Robert G. Mayfield, will also be featured. He is currently

Director of Stewardship at Asbury Theological Seminary. To add zest to the meeting, D. R. "Dutch" Rief, widely known throughout the Northern Illinois Conference for his magic with music, will bring the joy of singing to all.

In addition, two leading lay leaders of the Northern Illinois Conference, Arthur L. Myers and Harland Shaw, will conduct a special session on the Conference and how it works.

There will be time available for boating, swimming, sports and games, for which the facilities of the Camp ground are well provided.

A nominal charge is made for the full Assembly. Meals and lodging are available on the grounds. There is no charge for visitors who stop to participate in the individual sessions.

Full details may be obtained by writing the United Methodists for Methodism, P. O. Box 1609, Evanston, Illinois 60201.

### Rainbow Girls Initiate New Member

On Monday, June 22, Antioch Assembly Order of Rainbow for Girls held a formal meeting.

Barbara Mason presided as Worship Advisor and Mrs. Mary Briski as Mother Advisor.

Opening and closing were performed in a different way, with the girls "backing up" to the station they held last term.

The main business of the meeting was the initiation of Darci De Vore into the Assembly. Becky Beveroth was balloted on and elected to receive the degrees.

The girls are eagerly looking forward to Grand Assembly on July 11, 12, 13.

On Sunday, June 28 there will be a swimming party held for the girls.

Mr. and Mrs. Loecher

## Susan Lee Toman Weds Lee Loecher

On June 20, 1970 Susan Marie Toman and Lee Lewis Loecher exchanged wedding vows. The double ring ceremony was performed by Rev. David M. Ponath in Faith Evangelical Lutheran Church in Antioch.

Parents of the bride are Mr. and Mrs. Charles J. Toman of Antioch, Illinois. The groom's parents are Mr. and Mrs. Lawrence H. Loecher of Mesa, Ariz.

The matron of honor was Lois L. Neuman, and Lawrence L. Loecher served as best man.

Bridesmaids were Kathleen J. Rokos and Diane F. Crandall. Groomsmen were William J. Toman and Dale H. Crandall. John Jedele, Ed Elfering, and Daniel Toman were ushers. Laura Neuman and David D. Foggio attended as flower girl and ring bearer.

The bride wore a floor length gown of white silk organza trimmed with Venice lace over bridal

taffeta. Bodice fashioned with oval neckline, and flared bell sleeves. Shirt was modified A-line with detachable chapel train. The headpiece was of pearls on profile cap with imported illusion 3 tiered veil.

The evening reception was held at Lorenz's Smart Country House. After their honeymoon in Wisconsin Dells, the couple will make their home in Bristol, Wisconsin.

### New Play 'The Apple Tree' To Be Presented

There's a new kind of apple tree growing right here in Antioch. It's the musical comedy production of "The Apple Tree" presented by Palette, Masque, and Lyre, Inc., and directed by Ken Smouse.

"The Apple Tree" by Jerry Bock and Sheldon Harnick based on stories by Mark Twain, Frank R. Stockton, and Jules Feiffer, originally directed by Mike Nichols on Broadway will be given Friday and Saturday evenings, July 10, 11, 17, 18, 24 and 25 "In-the-round" in the cafeteria at the Antioch Community High School.

This musical comedy, just recently enjoying a long run at Chicago's Candlelight Theatre, is PM&L's annual summer musical. It is an unusual musical consisting of 3 acts almost unrelated and yet tied together by that very popular theme—man, woman, and love.

Principal cast members include Mary Beth Bentel, Fred Holbert, Ken Smouse, Elita Layman, Nancy Eberman, Jerry Oelrich, Rich Irmen, Dee D'Isa and Fred Troy.

Call 395-4111 to place a Society or News Item.

Sandra Domke

### Engagement Announced

Mr. and Mrs. Clarence Domke of Channel Lake have announced the engagement of their daughter, Sandra, to David Hatton, son of Mr. and Mrs. Raymond Hatton of Lake Villa.

Both attended Antioch High School. David is presently in the Navy, stationed in San Diego, California.

A February wedding is planned.

### Evink, Miss Herman Take Second Honors

A total of 2,377 Whitewater State University students achieved academic honors during the second semester of the 1969-70 school year which ended May 27.

Of these, 158 received grades of straight A for a 4.0 average. An additional 650 students earned semester grade point averages of from 3.5 to 3.99 and were accorded first honors. Second honors, for grade point averages of from 3.0 to 3.49, were granted to 1,569 students.

A student must carry at least 12 credits to earn semester honors.

Second honors went to David D. Evink, son of Bernard Evink, Rt. 3, and Joyce M. Herman, daughter of Mr. and Mrs. J. Herman, 451 Orchard St., both of Antioch.

## Secretaries Will Hold Convention

Justice Daniel P. Ward, of the Illinois Supreme Court extended the City's official welcome to Legal Secretaries from all over the Midwest who attended the June Board Meeting and Leadership Clinic of the Illinois Association of Legal Secretaries at the LaSalle Hotel on June 20. Mrs. Sharon L. Johnson, PLS, IALS President, Champaign, presided. Miss Jan Snow, from Decatur, was the moderator of the Leadership Clinic.

Miss Sue Millmore of Waukegan, as Governor, represented the Lake County Legal Secretaries Association at this meeting. Also attending were Mrs. Sid Gamble of Libertyville, who holds the offices of Nominating and Elections Chairman in IALS and President of the Lake County chapter; Mrs. Dalton Steinburg and Miss Kathleen Tapio, both of Waukegan, who hold offices of Bulletin Chairman and Advertising Chairman in IALS, respectively. Other members of the Lake County chapter who attended were Mrs. Dan O'Gallagher of Libertyville and Mrs. William Forde Johnson, Mrs. Donald Anderson and Miss Mary Ann Hartwick, all of Waukegan.

The Illinois Association is affiliated with the National Association of Legal Secretaries, and is the fifth largest state association in the United States. Each member pledges herself to promote professionalism in the legal secretarial field, and to encourage the continued education of its members. The motto "We Serve" is carried out through all of its projects and programs.

## Garden Club Flower Show On Friday

Friday, June 26, is the day Antioch Garden Club will have its flower show in the community room of the Antioch Savings & Loan beginning at 12 noon.

The deadline for entries is 9:30 a.m. and it is free to all, both for entering and arrangement and for receiving the arrangements.

## Shower Given Pam Hagstrom

There was a surprise shower to honor Pam Hagstrom given by the groom's sisters, Judy Powell and Debbie Burmeister on June 17 at the Regency Inn in Chicago.

The dinner was enjoyed by 55 guests and Pam and her bridesmaids enjoyed all the lovely gifts.

It's easy to place a classified—Just dial 395-4111.

Witkowski

## Terry Witkowski Wins B.A. Degree

Terry Witkowski, son of Mr. and Mrs. Henry Witkowski of Lake Villa, has received his BA degree in History from Northwestern University in ceremonies held on June 13.

He was a member of the Theta Xi Fraternity and held offices as vice president, pledge educator and scholarship chairman. He was a 1966 graduate of Antioch High School.

### CHRISTIAN SCIENCE CHURCHES

Instructions given by Jesus to his twelve disciples and to seventy other followers, who were sent out to heal and save mankind, are included in the Lesson-Sermon to be read in all Christian Science churches this Sunday.

The Lesson-Sermon subject is "Christian Science," which is explained in passages from Science and Health with Key to the Scriptures by Mary Baker Eddy. One of the passages states:

"Now, as then, signs and wonders are wrought in the metaphysical healing of physical disease; but these signs are only to demonstrate its divine origin,—to attest the reality of the higher mission of the Christ-power to take away the sins of the world."

The public is welcome to attend services starting at 11 a.m. at First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harden, Antioch, Illinois.

The Veterans Administration recently announced the allocation of another \$5 million for various construction projects at some of its 166 hospitals.

ARNSTABLE'S Inc.

Mrs. Joseph Hogue, Waukegan, district historian, 10th District American Legion Auxiliary, presents first prize to Mrs. Edward Jahneke, Antioch, winning unit historian. Mrs. Jahneke unit history is now entered in state competition.

### A.A.R.P. Elects...

(Continued from page one)  
is to be held on Tuesday, July 7, at 12:30 p.m., in Van Palten Woods on the north side of Rte. 173 just east of the DesPlaines river.

Guests invited to the annual picnic will be the Rockford AARP chapter with an expected attendance of 200.

In order to have an early start by the newly elected chapter officers the present officer in charge called a board meeting of officers, directors and picnic committee for June 10 at 11:30 a.m. in the Community room of the Savings & Loan building.

Following the meeting of 27 members all stayed over for the 1:00 p.m. meeting in the same room, called by Harold W. Lindberg, president elect of the AARP in the interest of pollution in the lake area.

The move for starting some interest about the pollution was headed by William Nelson, Lake Catherine, Antioch in communicating with the Department of Conservation and later turned the project over to Lindberg, who showed movies and later slides to the 40 persons in attendance.

N. Holt, Mrs. John Mould, Waukegan, District President, was elected delegate to both the state and national conventions, with Mrs. Broege as alternate.

The special guest of honor, Mrs. Charles Gill of Tinley Park, department president, gave Auxiliary members pertinent facts pertaining to many auxiliary programs. Mrs. John Acklin, Dolton, State Membership Chairman, urged 10th Dist. members "to put forth more effort" in obtaining their last membership renewals. Tenth Dist. still lacks a little over 100 members to be 100% in this program. Mrs. Clarence Sandberg, Joliet, 2nd Division President, also spoke on membership and the Second Division Convention.

This meeting was conducted by Mrs. Broege, Dist. President-elect, as Mrs. Mould, Dist. President, is still seriously ill at St. Therese Hospital in Waukegan.

### Rev. Murphy Is New School Head

Rev. David J. Murphy, O. Carm., superintendent of schools for the Canadian-American Carmelite province, was recently elected chairman of the coordinating board of the Association of Chicago Priests (ACP). He was elected by the 24-member board of the association at a meeting in Longwood Cenacle.

Fr. Murphy is the first religious order priest to be elected chairman of the independently formed association which began in October of 1966.

The Carmelite is a member of the definitive council of the Province of the Most Pure Heart of Mary which includes 12 states, Canada and South America. Headquarters for the province are at St. Joseph's Priory in Barrington, Ill., where Fr. Murphy resides.

A native of Chicago, Fr. Murphy, 51, was ordained there in 1942. His first assignment was as a teacher at Mt. Carmel High School on Chicago's South Side. He was then named principal in 1954 and held the post until 1961.

In 1961, Fr. Murphy was appointed principal of the new Carmel High for Boys at Mundelein, Ill. He remained there until 1968 when he was appointed superintendent of schools for 11 Carmelite high schools in the U. S., Peru and Chile.

The newly-elected Carmelite also directs the graduate programs of Carmelites studying at various colleges and universities in the U.S., Canada and other countries.

### Two From Antioch Win College Degrees

Two Antioch students received their degrees from the University of Illinois at Urbana-Champaign in commencement exercises held last Saturday.

They were Marilyn A. Gras, of Rte. 4, Box 74, and James R. Knirsch, of Rte. 1, Box 667.

### CLC Summer School In Full Swing

The first summer instructional program at the College of Lake County is now in full swing.

By the close of registration, 1,375 students had enrolled in the more than 90 day and evening classes offered on the Grayslake campus. In-district students numbered 1,283 (93%) of the enrollment. Illinois out-of-district students totaled 91 and one student is out-of-state. Female students outnumber male students 699 to 676.

### Where The Boys Are

Fred Clark, 3/c Petty Officer in the U. S. Navy is aboard the USS Saratoga (CV40) on an eight month tour of the Mediterranean. His wife, Edith, is a resident of Antioch.

Airman George E. Broecker, son of Mr. and Mrs. Lorraine S. Muskat of Rt. 2, Antioch, Ill.,

Broecker

has completed basic training at Lackland AFB, Tex. He has been assigned to Lowry AFB, Colo., for training in the munitions and weapons maintenance field. Airman Broecker is a 1969 graduate of Antioch Community High School.

James L. Reed, son of Mr. and Mrs. Hillard G. Burke, Rt. 4, Antioch, Ill., has been promoted to airman first class in the U. S. Air Force.

Airman Burke is an aircraft maintenance specialist at Beale AFB, Calif. He is assigned to the 48th Organizational Maintenance Squadron, a unit of the Strategic Air Command, America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles.

The airman is a 1969 graduate of Central High School, Salem, Wis.

Navy Seaman Anthony J. LaBarbera, son of Mr. and Mrs. Joseph A. LaBarbera of 808 Rustic Drive, Lake Villa, Ill., is now serving off the coast of Vietnam aboard the attack aircraft carrier USS Oriskany.

### Reckers Attends...

(Continued from page one)  
Illinois Bankers School at Southern Illinois University in Carbondale, heard experts from all over the country lecture on new techniques and developments in all phases of the banking industry.

Featured speaker for the main luncheon was Sam Witwer, president of the Illinois Constitutional Convention delegation. Witwer presented a brief resume of the Convention's progress and urged the bankers to give their support to the new, improved constitution when it comes up for approval in December.

### 2 On Dean's List

Two Antioch area students have been named to the Dean's List for the second semester of the 1969-70 academic year at MacMurray College, Jacksonville, Ill.

They are James Leslie Sorenson, son of Mr. and Mrs. Leslie W. Sorenson, 272 Chestnut St., and Jean Ellen Bywell, daughter of Dr. and Mrs. Arthur W. Bywell, of 1903 E. Lincoln Ave., Lake Villa.

Call 395-4111 to place a Society or News Item.

Mrs. Robert Broege, from left, Deerfield, 10th District president-elect, introducing state president, Mrs. Charles Gill, Tinley Park; second division president, Mrs. Clarence Sandberg, Joliet; and Mrs. John Acklin, Dolton, state membership chairman, to the members at the recent 10th District American Legion auxiliary meeting, while Mrs. Richard Brady, Gurnee, district secretary, looks on.

### Flower, Antique Show Thursday

The Long Lake Garden Club will hold a flower, antique and hobby show on Thursday, June 25, at 12:30 p.m. in Grant Township Hall, Ingleside. Cards will be played and refreshments will be served.

### INTERVIEW FOR UPPER IOWA COLLEGE

# NRA Invites 500 To World Shoot

More than 500 of the country's best men and women sports target shooters have been invited by the National Rifle Association of America to participate in the 10th annual U. S. International Shooting Championships at Phoenix, Arizona, July 13-26, and compete for positions on the U. S. team which will represent this country in the 40th World Shooting Championships.

The World Championships, which will be conducted by the N.R.A. on behalf of the U.S. and the International Shooting Union, will be held at Phoenix, October 17-26.

The U. S. Open Team will be composed of nine rifle shooters, 11 pistol shooters, four inter-

national skeet competitors, four clay pigeon (trapshooting) members, four running boar shooters and two alternates.

In ladies competition, the U. S. will also be authorized to enter three rifle shooters, three pistol shooters, two clay pigeon shooters, two international skeet shooters and two alternates.

With six officials permitted on the Open Team and one official for the ladies squad, the U.S. contingent will total 53 persons.

Walter Walsh, a retired Marine Corps Colonel, has been named as Team Captain for the U. S. Team by the N.R.A.

A program of 21 events has been scheduled for the U. S. International Championships. Eight of these will be for ladies only. Women are eligible to shoot in any event in addition to those designated as ladies only. She cannot compete in any open event which has a comparable ladies counterpart. There are no separate junior matches since the I.S.U. does not have such events in its world championships.

All rifle and pistol matches will be fired on the Maricopa County Black Canyon Ranges and all shotgun events will be held at the Phoenix Trap & Skeet Club.

To be eligible for an invitation from the N.R.A. to participate in the U. S. Championships and Final Tryouts a competitor had to fire a qualifying score in a preliminary tryout and be in the upper 10 percent of those firing qualifying scores; or a shooter who holds a Master Classification in an international type event may petition the N.R.A. International Shooting Committee by letter for an invitation; or a shooter who has been a member of any U. S. International Shooting Team selected in 1969 or later may request entry by letter without participating in a preliminary tryout; others may be invited at the discretion of the Committee if they write the N.R.A.

Several Olympic and World medal winners are expected to accept the invitation to compete in the July matches. Marine WO David Boyd, Quantico, Va., captured the Gold Medal in the World Championship.

## Harris Wins Feature

Whitey Harris of Lake Villa set a new one lap qualifying record Friday night at the Waukegan Speedway and then passed all of the cars to win the 50 lap feature race. Jim Boehles of Hales Corners showed up a week early to practice for the semi-late model races next Friday and he breezed home the hobby stock feature winner.

Harris moved to the exciting outside groove to pass most of the 18 car field before taking the lead away from Chuck Acheson of Milwaukee in the 37th lap. Acheson had won the previous 50 lap race in April at the Speedway.

Harris battled Cameron for a number of laps before taking second spot in the 18th lap. Denny McKay of Elgin also moved outside to streak into third on the 22nd lap and there was a tight, exciting three car battle for the lead for the next 15 laps before Harris finally slipped in front.

The modifieds will return to the Speedway on Friday night, July 3, with their 50 lap feature being the main attraction.

## Football Season Is Near

The 1970 football season begins Monday evening for the Lake County Rifles. The defending southern division champions will open their rookie camp at Carmel High School in Mundelein June 29th. The veterans will join their fledgling teammates two nights later on July 1st.

To date some 24 veterans have signed contracts in the Rifle office, while a number of others have indicated theirs are in the mail or will be inked in camp.

Forty-three rookies have enrolled their services with the club thus far. Personnel Director Jim Scully reports this figure should reach 60 plus by opening practice.

The Rifles' fortunes this season will rely heavily on the air arm of their new field general Bob Caress of Bradley University. Caress has played in the Central States League with the Rockford Rams, a team he led to division title in 1968. During that season he tossed for 13 TD's, 1500 yards and had an impressive pass completion percentage of 54.7. In addition to his quarterbacking chores, Caress is an outstanding punter and will probably be called on by Coach Gene Cichowski to handle that job.

The club received pleasant surprises as last week's rookie meeting in the form of new faces. Five new linemen will be in gear for Monday's opener. They are Jay Jackson of Northwestern College, Iowa, 260 pound All-Conference tackle Jim Schmidt of Cornell College, Clive Pecover of Coe College and another 260 pound tackle from Gary, Ind., Ralph Sotek, Purdue's contribution to the Rifles hopes is guard Carl Reinick.

The Lake County receiver corps has gotten a boost with the additions of Jack Lichtenberger of Memphis State and Ken Laurence of Northern Illinois U. Lichtenberger is 5' 10", 180 lbs. and plays flankerback while his counterpart Laurence is a tight-end with 6' 4", 225 lbs. measurements. Coach Gene Cichowski has again selected Amos Jones of North Chicago to be an assistant coach with the club this year. Jones played for Lake Forest High School and the University of Illinois. This is his second season with the team and he will serve with the line again in '70. Ken Kratz has been signed on as player-coach and will help out with the defensive backs, a position he has held down as a player for a number of years.

hobby champion Tom Reuss of Wildwood, finished second to Boehles in the main, but he thinks with a few modifications to his car before Friday, that he can beat the Milwaukee area star.

The Friday races will include time trials, a trophy dash, heats and feature events plus a powder puff derby for the ladies and a head-on demolition derby. The demo will be the first for Waukegan since it was asphalted for the 1969 season. Gates will open at 6:30 with the first race at 8 p.m.

## Speedway Rained Out On Saturday

The Waukegan Speedway suffered another rainout Saturday night as showers set in around 7:30 and did not let up. A good field of late models was on hand for the program.

The hobby stock and Sportsman cars will take over the Speedway this Friday night with the first night of "semi-late model" competition. Originally slated for June 12, this program was postponed by rain at that time. While the stock cars will hold up their end of the card with a full slate of events, a special head-on demolition derby is also sure to attract interest. Friday's semi-late model program is shaping up very well. There was a very high interest among the drivers before the rain-out date. This date will match the local hobby stock division against sportsman and amateur drivers from other tracks.

Well-known sportsman driver Jim Boehles of Hales Corners was on hand last Friday to warm up for Friday's races and he bested the local drivers in a heat and the feature race. Defending

## Little League Action

On June 15 the Sox played the Pirates. The Sox won the game with a score of 14 to 8.

The Sox scored right from the start, not giving the Pirates much of a chance to catch them. The final was the Sox 14 runs on 10 hits and 5 errors, and the Pirates 8 runs on 6 hits and 8 errors. Shiedo was the winning pitcher and Stout was the losing pitcher.

In the second game on June 15 the Dodgers met the Yankees.

The Yankees belted their 8 to 0. Tossey, the Yanks' pitcher, gave up only 2 hits. The final was the Dodgers 0 runs on 2 hits with 4 errors, and the Yanks 8 runs on 4 hits with 0 errors.

Tossey was the winning pitcher and the losing pitcher was Sheppard.

On June 16 the Cardinals played the Cubs. The Cards lost with a score of 11 to 1.

The Cubs got 11 hits throughout the game.

The final was the Cubs 11 runs, 11 hits, and 1 error, and the Cards 1 run, 3 hits and 3 errors. Mitch Witt was the winning pitcher and Parker was the losing pitcher.

In the second game on June 16 it was between the Tigers and the Giants. The Tigers came out on top with a score of 5 to 1.

The final was the Tigers 5 runs on 3 hits with 5 errors, and the Giants 1 run on 4 hits with 3 errors.

Tom Gutowski was the winning pitcher and the losing pitcher was Bowers.

On June 18 the Giants played the Dodgers. The Giants won by scoring 3 runs in the bottom of the 6th inning.

The final was the Giants 3 runs on 6 hits with 2 errors, and the Dodgers 2 runs on 3 hits with 5 errors.

Bogaerts was the winning pitcher and Houghton was the losing pitcher.

In the second game on June 18 the Pirates played the Cards. The Cards belted the Pirates with a score of 17 to 5.

The final was the Cards 17 runs on 8 hits with 3 errors, and the Pirates 5 runs on 3 hits with 4 errors.

Reckers was the winning pitcher and Eslinger was the losing pitcher.

On June 19 the Tigers played the Sox. The Tigers came out on top with a score of 8 to 6. The Tigers stayed ahead from the start. The final was the Tigers 8 runs on 7 hits with 3 errors and the Sox 6 runs on 9 hits with 1 error. The winning pitcher was Francke and Boarini was the losing pitcher.

In the second game on June 19 it was between the Cubs and the Yankees. The Yanks won with a score of 5 to 2.

The final was the Yanks 5 runs on 4 hits with 2 errors, and the Cubs 2 runs on 3 hits with 5 errors. Warner was the winning pitcher and Cermak was the losing pitcher.

## Babe Ruth Complete 1st Round

Monday, June 15, the Advertisers dropped a tough one against the undefeated Antioch Drugs, with Jim Wirth working hard on the mound. Jim did not get enough support from his team mates in the hitting department.

Facing a tough Tom Underhill who pitched a two hitter for the Antioch Drugs, plus the hitting of Gordy Sillanoff, Mike Guilfoyle, L. Benning, and Bob Bach, proved too much for the opposing team. The Antioch Drugs settled for a final score of 10-7. The winning pitcher was Underhill and the losing hurler Wirth.

Tuesday, June 16, the State Bank team starting to come into its own, met and defeated the Dairy Queen nine, who as yet has not found itself. The Dairy Queen could not quite get to the pitching of Gary Klean, who pitched a real good game, striking out 10 of his opposition. Bud Newton on the mound for the Dairy Queen did a fine job but needed more backing from his team at the plate. The final score: State Bank 9, the Dairy Queen 5.

Vacation crippled Shure-Fire team took a terrific thumping on Wednesday, June 17, at the hands of the fired up Antioch Drugs, who bombed their way to a 13-3 victory with Pete Laursen working overtime each inning, he couldn't compensate for the er-

## Browne Feature Winner

The winning ways of Ford and Chevy products came to an abrupt halt at the Waukegan Speedway Sunday night as second year driver Vern Browne of Waukegan whipped his sleek 1969 Dodge Charger into the winner's circle in the trophy dash, fast heat and the 30 lap feature.

Browne missed a clean sweep as Bob Anzinger of McHenry set the fastest qualifying time with a :14.35 lap. Browne turned second fast time at :14.43, then passed Carl Major of Chicago with two laps to go to win the trophy dash.

Fast work by his pit crew put his car back in the third heat after an oil cooler hose came off and dumped most of his engine oil on the pace lap. He passed Herb Artelt of Wildwood in the 8th lap of 10 to win that event. The cut-off point in the feature

line-up was :14.87 so the fastest er missed the main as did Paul Craddock of Round Lake who was in the same accident.

Bob Delaney of Roselle, also through for the night after a heat race pile-up, while Jim Cossman of Waukegan dropped out of the heat, but came back to run as high as third in the main before spinning into the first turn wall with two flat tires.

Dick Dornbusch of Lake Bluff, who was racing at Waukegan in the early 1950's along with Musgrave, had a good night Sunday, taking second in the opening heat, then winning the 15 lap semi-feature in order to qualify for the feature. Dornbusch came from the rear to take seventh spot in the 30 lapper.

Hobby stock action had its moments at the Speedway Sunday, too. In the second heat for the hobbies, Cheryl Arndt of Milwaukee did a fantastic job leading Dave Cermak of Lake Zurich and Tom Reuss of Wildwood in close formation most of the way.

With Cheryl showing up all the men in the race, the crowd was really on her side and when Cermak spun after losing a radiator as the trio closed in for the white flag, it looked like the Milwaukee gal would win; but as fate would have it, she spun in Cermak's water and stopped a hundred feet short of victory with Reuss taking the win.

The hobby feature lost four cars in a first-lap pile-up, but Tom Oliver of Zion avoided the wrecks for another feature win. Cora Morton of Zion took second money and Chuck Bostick of Waukegan was awarded third.

In the special Powder Puff derby, Jan Pye of Zion bounced her Thunderbird off the concrete walls to best 15 other gals in the race. The gals will race again this Friday in a special event along with the special "semi-late model" races.

## Wilmot Supers Soaked

Rain again soaked out the third of six racing programs for the Supers of the Seventies at the Kenosha County Speedway in Wilmot on Saturday night. The largest field so far this year was on hand and drove on the track in the rain that didn't let up, causing the eventual cancellation.

Four modified stocks were on the scene for the first time this year and as many sportsman cars too.

Among the newcomers was a father and son team who will share the driving responsibilities of their modified. It is the former Jim Lawrence modified that was campaigned by his brother Lauren following Jim's death in the spring of 1967.

Harold "Mouse" Wade of Gurnee was one of the returning veterans who raced at Wilmot in 1969. John Shum, Greendale, Wis., and Roger Schmidt, Milwaukee were on hand for their first time over at the Kenosha County Speedway. Shum, an auto body repairman, has a Chrysler powered modified that is reportedly one of the most powerful in modified racing.

Since the last racing at Wilmot on June 13, two other drivers have won feature race events and are looking forward to their first wins at Wilmot when racing resumes on June 27. Jim Sullivan of Antioch won at Lake Geneva and Ron Bergsma of Richmond won at Raceway Park in Blue Island on Wednesday night. The IRA cars will now be in action each Wednesday at the Raceway Park oval.

Following the race cancella-

## July 4th Program Scheduled

With entries, purse and competition to merit the title, the 14th annual "National Championship Drag Races" will take place over the 4th of July weekend, at the Great Lakes Dragway.

The schedule calls for supercharged funny cars to race Thursday, Friday nights at 8:30 and the nitro fuel dragsters Saturday night at 8:30 and Sunday afternoon at 2. The wheel-standing racers will complete all 4 days.

Advance entries among the funny cars are "Jungle" Jim Liberman, Paula Murphy, Tom McEwen, and Don Prudhomme, all from Los Angeles; Roland Leong and Larry Reyes from Hawaii; Dickie Harrell of Kansas City; Gene Snow of Dallas, Texas; Vic Cecella of Milwaukee; Al Fontanini, Ken Safford, Don Schumacher and Pat Minnick, all of Chicago.

Minnick drove his Dodge Charger "Chi Town Hustler" to victory in last year's "National Championships" and he also won the factory invitational here in April.

Nitro fuel dragster entries include Bonnie Osborn and Bob Creitz of Tulsa, Okla.; Don Garlits of Seffner, Fla.; Bruce Ross, Doug Walton and Vern Anderson of Minneapolis; Chris Karamesines, Cliff Zink of Chicago; Dave Powers of Dubuque, Iowa; Fred Welchman and Dan Wingert of Milwaukee; John Wiebe of Wichita, Kans.; Jim Nicoll, Don Johnson, Rod Dunne, Tony Nancy and Tommy Ivo, all from the Los Angeles area.

Drivers of the wheel-standing racers include Richard Hutchens of Miami, Fla.; Bill Shrewsbury of Columbus, Ohio; Gary Watson of Corpus Christi, Texas; Fritz Barelis of Burlington, Wis.; Francis Monaghan of Philadelphia, Pa.; Roy Trevino of Fort Worth, Texas; Bob Riggles of Dayton, Ohio; Bob Perry of Phoenix, Ariz.; Dick Harding of San Diego and Bill "Maverick" Golden of Los Angeles.

Riggles drives the "Hurt Hemi Under Glass" Plymouth, Perry pilots the "Fugitive" Corvette. Harding wheels the Backup-Pickup and Golden drives the famous "Little Red Wagon." Harding won the wheel-standing division over the Memorial Day weekend.

In the wheel-standing races, the first driver to reach the 1/4 mile finish line with the front wheels in the air the entire 1/4 mile is the winner. The first driver to go completely off the strip or to allow the front wheels to touch the strip is the loser.

The overall winner is determined on a total points basis. Points are also awarded to the first racer to lift the front wheels off the strip and to the racer that travels the furthest on just the rear wheels.

This is only the second time that cars, pickup trucks and motorcycles will be actually racing in side by side races. Prior to this they were used just as a novelty or exhibition.

## IT'S A THOUGHT

Here's an earth-shaking idea culled from the Elsinore, Calif., Sun: "I want no more governmental services. I believe that we should elect our governmental services on a strictly commission basis. If they save money for us, we will pay them a percentage of the saving. Candidates, who realize that the taxpayer goose that has laid their golden egg for so these many years is almost as extinct as the dodo, should be rewarded for their perception. The rest should be required to learn the lesson the hard way as the rest of us do when the tax bills come in faster than the tax dollars."

## Babe Ruth

(Continued from page six)  
rors made by players playing out of their regular positions. The Antioch Drugs pitcher Larry Pawlowski held down the Shure-Fire batters to 3 hits and received a big hand from Gutowski, Guilfoyle, Underhill and Benning at the plate. Pitcher Pawlowski also helped his team with 3 for 5 at bat.

The State Bank team on Thursday, June 18, picked up their second win of the season by defeating the Advertisers 12-8 in a fairly even matched contest. The State Bank team came through with the hits when they were needed most. Tom Robinson for the State Bank did a fine job for a beginner in Babe Ruth and Gary Glover worked hard for the Advertisers. The State Bank had their hitting shoes on to back Tom up. Winning pitcher Robinson, loser Gary Glover.

We, the managers, coaches, and players in the Babe Ruth Division of the Antioch Little League, wish Billy Gable of the Dairy Queen, a speedy recovery. He unfortunately fractured his leg in practice this week.

Babe Ruth Standings W L  
Antioch Drugs 5 0  
Shure-Fire 3 2  
State Bank 2 3  
Advertiser 1 3  
Dairy Queen 0 3

The Advertisers and Dairy Queen have a rain-out to play.

## Artists Win...

(Continued from page one)  
with his photographic exhibit entitled, "Into the Past", Theodore Stockwell, Wauconda, with his oil on paper painting entitled, "Storm", and Robert Wright, Libertyville, with his three-dimensional entitled, "Magic Is Fun".

Six Lake County artists also were awarded honorable mention ribbons on their entries in the regional show. They are: Mrs. Thelma Beaubien, Lake Zurich for her felt and thread entry entitled, "Quezacoquath"; Mrs. Betty Drapalik of Waukegan for her watercolor painting entitled "The City"; Marshall Haydon, Antioch, for his oil painting entitled, "Pueblo"; Dr. James Kopriva, Antioch, for his watercolor painting, "Old Wisconsin"; Mrs. Shirley Naffziger, Zion, for her untitled special creation; and Mrs. Anna Wroblewski, Mundelein, for her wood sculpture.

Artists from thirteen counties in northeastern Illinois made 192 entries in the Regional show. Thirteen artists received blue ribbons and 25 artists earned honorable mention ribbons. The artists who entered the regional show had previously earned blue ribbons in their local county shows.

Winners of blue ribbons in the Regional Show are eligible to enter their works in the State Town and Country Art Show to be held at Urbana this fall.

The Town and Country Art Shows are sponsored by the Cooperative Extension Service of the University of Illinois and are supervised locally by the County Extension Advisers, Ray T. Nicholas and Mrs. Helen Volk.

## FUNERAL NOTICES

**RUSSELL C. SMITH**  
Russell C. Smith, 71 years old of Channel Lake near Antioch, passed away at 10:30 a.m. Friday, June 12, at Victory Memorial Hospital. He was born July 15, 1898 in Antioch Township and had resided here all of his life. He had been employed by the state of Illinois in the Highway Maintenance work for many years, before working as a truck driver for S & K Disposal service for 10 years and retired in 1960.

He married Pansy Rankin on Nov. 24, 1925 in Hayward, Wis. He was preceded in death by two brothers, Dr. Halley A. Smith on March 9, 1970, and Howard E. Smith on Sept. 3, 1969.

Survivors are his wife, Pansy, one son, Harry J. Smith, Antioch, and five grandchildren.

Funeral services were held at 10:30 a.m. Monday June 15, at the Strang Funeral Home in Antioch. Rev. Roy Kottwick of the Salem Methodist Church officiated. Interment was at Hillside Cemetery in Antioch.

**MRS. ANNA M. ROBINSON**  
Mrs. Anna M. Robinson, 80 years old of 5959 W. Ohio Street, Chicago, passed away at 4 a.m. Friday, June 12, at the Anna Baum Home in Geneva, Ill.

She was born Jan. 7, 1890 at Aldine, Indiana. She and her family moved to Antioch in 1904, where they operated Dressels Resort of Lake Marie from 1910 until 1938. She then resided in Chicago where she worked as a saleslady for Charles A. Stevens, and later for Marshall Field & Co., until her retirement in 1960. She had been living in the Anna

Rich firmen of Antioch is Percival Browne and Ruth Ahlstromer, from Spring Grove is Mme. Dubonnet in the PM&L production of "The Boy Friend."

## Last Chance To Catch 'Boy Friend'

This is the last weekend to catch the happy-go-lucky and tune filled musical comedy spoof, "The Boy Friend", at the Antioch Country Club Playhouse.

Directed by Ken Smouse, the large cast romps through many situations taking place in Eng-

land's "tittering twenties" which were really much the same as our "roaring twenties."

Especially outstanding performances are given by Mary Wiczorek as the heroine Polly Browne, Brian Sorensen as Tony Brockhurst, Terri Lisk as Maisie,

Ruth Ahlstromer as Mme. Dubonnet, Dee D'Isa as Hortense, Don Beveroth as Lord Brockhurst, and Elda Minger as Dulce. For reservations for Friday or Saturday, June 26 and 27, call the Antioch Country Club, 395-3000. It's great family entertainment. Curtain time is 8 p.m.

## Credit Cards Dispel Need For Cash

Teddy Roosevelt made famous the cry, "Charge!" as he led the Rough Riders up San Juan Hill. Now the modern woman appears to have made the cry her own. In these days of easy-to-get charge accounts, when unsolicited credit cards arrive daily in American homes, the woman of the family can all too easily wind up with a pocketbook full of various credit and charge devices and be left without room in that fabled receptacle for the vital items... make-up.

Economists are fond of credit. Many of them "credit" it with the dynamic success of the American free enterprise economy. It is also an index of this success. All through history, people with money have always had credit extended to them. Today, many millions of Americans can also enjoy its benefits because they have larger and more stable incomes than any other people on earth.

As any husband will readily observe, credit fulfills a prime marketing benefit: making it easy for the customer to buy. They point fondly to old Henry Ford, who pioneered mass production but, just as important, devised the installment payment system that enabled customers to purchase his product... the famed Tin Lizzie.

"Many modern credit devices perform a vital function: they simplify bill-paying, furnish receipts for all purchases, and often allow one to plan efficiently around a budget. Most of them, however, are confined to usage of retail purchases, gas, oil or groceries," remarked Brooks Banker, Executive Vice President of American Express Company and General Manager of the Card Division.

For the woman who travels or entertains, these charge methods are often inadequate. "She needs a service that is designed for her needs as a hostess," commented Mr. Banker. For this woman, the travel and entertainment (T&E) cards, American Express, Diner's Club and Carte Blanche, are often the answer. This kind of card

provides universal acceptability and many services she simply can't find anywhere else. For example, it dispels the need to carry inconvenient amounts of cash and prevents the embarrassment of trying to cash a check in an unfamiliar community. One card, the American Express Card—provides universal acceptability at airlines, restaurants, hotel/motel establishments, car rentals, specialty shops all around the globe.

"American Express designed services into the card that especially please the women of the family," explained Mr. Banker. "First of all, it's easy for her to obtain a supplementary card at a reduced rate. In this way, she shares her husband's basic account number and her charges are included in his bill."

And what woman doesn't occasionally misplace something? Not many, but American Express has provided automatic limited liability insurance for them. If the cardmember should lose the card—or should it be stolen; she is only liable for up to \$100 of fraudu-

— The American Woman. lent charges. And if she calls American Express before the card is fraudulently used, the liability is zero.

The jet set hostess, unable to attend a social occasion, can entertain friends on the other side of the globe by using the exclusive "BE MY GUEST" service. For a modest service fee, American Express delivers a handsome invitation in her name; good for a fine evening of dining. She selects the restaurants and the dollar limit. This provides an ideal way to say "Thank you" or "Congratulations" when you can't be there yourself.

These are just a few of the ways the American Express Card people are seeking to serve the professional woman or the woman for whom dining and entertaining are the facts of life. For the woman who seeks an easier way to keep her finances well-ordered, this financial device is useful. And, last but not least, for the wife who likes to take her friends out to lunch occasionally, this is the ideal way to say "Charge it"... to my husband, please.

## WIND-CHILL FACTOR IS CRITICAL IN WINTER

As a great part of winter safety has to do with dressing properly for sub-zero temperatures—not just thermometer readings, but equivalent chill temperatures created by wind or by riding a snowmobile.

Temperatures as low as minus 22 degrees Fahrenheit may pose little danger for the well-bundled winter voyager. But when you couple temperature with wind,

dangers of freezing exposed flesh increase sharply.

That's the word from Jean-Luc Bombardier, snowmobiling expert and North Pole explorer, who notes that a plus 10 degree F. temperature coupled with a 20-mph wind results in a wind-chill rating of minus 25 degrees, with considerable freezing danger.

Bombardier, who completed an historic trip by snowmobile to the North Pole with the Plaisted Expedition early last spring, notes that at minus 20 degree F. temperature and a wind speed of 25 mph, the wind-chill factor drops to minus 74 degrees F. with very great danger to exposed flesh. And the wind speed is just as important whether it's a blowing wind, a wind created by your snowmobile speed, or a combination of both.

Cold weather apparel designers, such as Ski-Doo Sports, Ltd., agree with Jean-Luc that for any wind-chill condition approaching the considerable danger mark, the winter sportsman should wear thermal underwear and a wind-proof, waterproof fleeca-

lined outer garment with hood and face mask. He also should have waterproof boots with thick inner lining and gloves or mitts with similar cold resistant characteristics.

## THE IRONY OF IT!

"The Meter," published by The Oklahoma Gas and Electric Company, makes an interesting point on how values are determined: "A plain bar of iron is worth about \$5. This same bar of iron when made into horseshoes, increases in value to \$10.50. If the same bar of iron is made into needles, it is worth \$4,285. If turned into balance wheels for watches, it becomes worth \$250,000. This case is true of another kind of material... YOU. Your value, like the value of a bar of iron is determined by what you make of yourself."

Administrator of Veterans Affairs Donald E. Johnson announced recently that construction projects at 17 VA hospitals will cost an estimated \$10 million in the next 18 months.

# NI-Gas Earning Prospects Good

Marvin Chandler, Northern Illinois Gas Company's chairman, told the utility's shareholders meeting in NI-Gas' general office near Aurora, that the company's 1970 earnings picture looks good.

"Our earnings goal," Chandler told stockholders, "now looks like a cinch, barring something most unusual." At the beginning of the year, Chandler set a goal of 10c to 15c over 1969's \$2.57; or approximately \$2.67 to \$2.75 a share.

Chandler pointed out that as previously reported, revenues for the 12 months ended April 30, reached \$303 million, topping \$300 million for the first time; and that consolidated earnings per share of common stock rose to a record of \$2.80 during the same recent 12-month period.

In citing what a progressive company can achieve in a rapidly growing territory, Chandler said the \$200 million mark in revenues was reached just four years ago in 1966, and the \$100 million level in 1969.

Chandler said earnings so far in 1970 have been helped by the lower federal income tax rate; the seven per cent colder than normal weather in the first four months; increased demand for natural gas because of its non-pollutant qualities; and the continuing addition of new customers and conversion to space heat by present customers.

He pointed out that earnings in 1970 should be further enhanced by NI-Gas' contract to sell Commonwealth Edison Company more gas, primarily during the summer. He said that while Edison's gas purchases amounted to some \$8 million in 1969, they are expected to reach about \$20 million this year. Chandler stated:

"Although this will clearly benefit us financially, more importantly, it will benefit the air for all Chicagoans."

In discussing developments concerning NI-Gas' proposed acquisition of Mid-Illinois Gas Company from Commonwealth Edison Company, Chandler reported that NI-Gas shareholders approved the agreement by a margin of more than 100-to-1. The approved merger agreement provided for a new class of NI-Gas

preference stock and an increase in the authorized shares of common stock.

He also revealed that recently discussions with Central Illinois Light Company have been taking place. These discussions concern the possible sale by NI-Gas to CILCO, after the merger, of the Lincoln-Tuscola facilities which account for about 20 per cent of the Mid-Illinois Gas territory. NI-Gas would retain the balance, serving Rockford, Freeport and vicinity.

Chandler said, "If these talks result in an agreement that would not adversely affect the tax-free status of the merger, we will seek your approval of the revised transaction at a subsequent meeting. This agreement, of course, as well as the merger, would have to be approved by the regulatory agencies."

Commenting on the topic of gas supply, Chandler said that, while gas use nationally is growing faster than new supplies are being found, NI-Gas, while better off than much of the industry, is still taking positive steps to assure its future supply. For example, NI-Gas is scheduled to buy its first Canadian gas this fall.

"Regardless of the Canadian gas, however, our other new supplies and our storage capability, assure meeting our next winter's requirements, and without interruption of any existing firm customer," Chandler said.

"Of one thing our customers can be sure," he said, "we will not fail to supply gas to all loads that we permit to be connected to our system. And so far, we are not restricting any connections, although we are now requiring 15 months' notice for any massive new industrial loads."

The NI-Gas chairman pointed out that gas may someday be made from coal. "Research on this has been going for many years and is now culminating in pilot plants. One of these, under construction in Chicago, should be in operation this fall."

Chandler told shareholders that the company's coal rights acquisition program in central Illinois is continuing, and that a substantial number of acres have been acquired. An evaluation of the coal deposits is under way, and

a market study is being prepared.

Chandler also reported that the company is still seriously studying various types of corporation organization forms, including that of a holding company. Additional study will be required, however, before a decision can be made as to which form will permit "the diversification that will lead toward making NI-Gas an even better company."

Chandler concluded his remarks by telling shareholders

that NI-Gas fully recognizes the arrival and the impact of the age of consumerism. He said:

"To turn the consumerism challenge into opportunities, we must be imaginative, innovative, and aggressive. I assure you that the NI-Gas team is ready, willing and able to meet this challenge and pledges to do so."

In other business, shareholders ratified the appointment of auditors and reelected the management slate of eleven directors.

## State GOP Selects Peoria Site

The Illinois Republican party's state convention will be held in Peoria on Saturday, July 18th, state GOP Chairman Victor L. Smith announced today.

Peoria was selected as the site for the 1970 convention by members of the Illinois Republican State Central Committee at a recent meeting. Some 1500 delegates from

downstate counties and awards and townships in Cook County will meet to choose the party's candidates for Trustee of the University of Illinois and adopt a platform for the 1970 election campaign.

Four seats on the U. of I. Board of Trustees are to be filled in the November election.

Smith said the chairmen of the six standing committees for the convention will be selected shortly. The committees are: Permanent Organization; Credentials, Resolutions and Platform; Rules and Procedures; Arrangements and University Trustees.

William Scannell (2nd), Secretary of the IRSCC, is handling preliminary planning for the GOP state convention until a chairman of the Arrangements Committee is chosen. The Pere Marquette Hotel has been selected as convention headquarters. The 1968 Republican State Convention was held in Springfield.

## Comerio Named Park Head

Theodore Kavadas, superintendent of the division of parks and memorials, announced that John Comerio has been appointed to the job of parks management coordinator of District VIII. In the northeastern district are Chain O' Lakes State Park, Illinois Beach State Park, McHenry Dam State Park, Rock Cut State Park, Shabbona State Park, Silver Springs State Park and William W. Powers Conservation Area (Wolf Lake).

Comerio was formerly employed as superintendent of the Lockport Township Recreation Department. He has worked with the Peoria and Glenview park districts. He served with the

Army Artillery at Fort Sill, Okla., and in Vietnam, as a second lieutenant.

Comerio was born in Herrin, Ill., and received his B.S. degree in recreation at the University of Illinois. He received a master's degree in park administration at the U. of I. in 1968.

His membership in professional organizations include the National Recreation and Parks Association, the Illinois Parks and Recreation Association, the Midwest Park and Recreation Association and the West Suburban Recreation Directors Association.

He and his wife Judith Ann, also a graduate of Illinois, and their young daughter Carri Ann live in Crest Hill.

## ACTION LOUDER THAN WORDS

The time is rapidly approaching when people will become weary of the purely negative business of spreading alarm about the environment. They will be more interested in hearing about the positive actions taking place to cure some of the problems.

When that day arrives, the industries and the individuals, the legislators and the scientists, the businessmen who have tackled a clean up job with all the resources at their command, may become the real leaders and the progressors of tomorrow.

THURSDAY, JUNE 25, 1970 THE ANTIOCH NEWS-8

"Where there is no incentive the only thing produced in abundance is scarcity. Expecting people to produce with no incentive is no different than expecting a car to run with no gas."—R. D. Hofer.

As the head of one nationwide concern acidly comments, "An activist is the guy that cleans up the river, not the guy that concludes it's dirty. We need a generation that won't be content to hold seminars. They've got to go out and clean up the rivers and clean up the sky. That takes leadership." — Industrial News Review Digest.

# Did you ever hear of returning a Savings Bond because you got too many?

## NOTICE

OWNER OR OWNERS OF REAL ESTATE WHO REFUSE OR NEGLECT TO CUT WEEDS ON THEIR PROPERTY BY

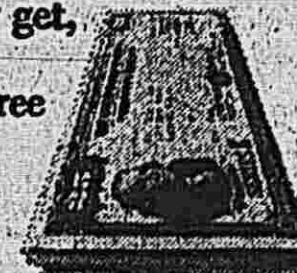

**July 1st**

THE VILLAGE WILL PERFORM SAID SERVICE OF \$10 PER LOT.

AND SUCH COST AND EXPENSE WILL BE BILLED OWNER BY THE VILLAGE OF ANTIOCH.

Even the seventh, or eighth, or ninth Savings Bond will be as welcome as the first. Which is one reason why they make a pretty nice gift. Especially for a wedding. And in a few years, a young couple will open up that bottom drawer to cash in their wedding Bonds. Matured and filled with interest. It'll be like found money. What's more, in a few years there might be a couple of kids. A few more expenses. Who ever heard of some found money not being put to good use? So you see, even if your Bond is the umpteenth one they get, they can use it. A lot better than three chafing dishes.

If they're lost, stolen, or destroyed, we replace 'em.

**Take stock in America Buy U.S. Savings Bonds**
